<b>Geared Toward</b>	Highest level of competition. Athletes with the desire and potential to play top level high school and/or college. Elite Club athletes play in local, regional, and national level tournaments with a high commitment level.	Moderate/High level of competition, HS athletes wanting to improve and be the best they can for their HS season. Athletes in Prep Club do not travel but can play in local tournaments. HS Prep does not include RCC or Festival.	This program is great for young athletes wanting to experience club on a seasonal level. These athletes will be mixed with year round club athletes during their season.	Academy is for players that love field hockey and want to develop their skills without a huge commitment of time to the sport. They may sign up for individual sessions in Fall, Winter, Spring and Summer.	Leagues are for players that want to play in a team setting with a weekly game. Leagues consist of a one hour slot with a 15-20 minute skills warmup followed by a 40 minute game. Leagues run seasonally outdoors and indoors.
